

POWERCOM CO., LTD

SOLAR KING PV INVERTER LIMITED WARRANTY

A five (5) year warranty applies to the following products: SLK-1500 / SLK-2000 / SLK-3000 / SLK-4000 / SLK-6000 .

The PCM factory warranty during the agreed period, beginning on the device's purchase date, subject to the conditions listed below. This is not associated with the durability warranty.

Warranty Conditions

If a device becomes defective during the relevant PCM factory warranty period, one of the following services, as selected by PCM, will be performed at no charge for materials or labor costs:

- repair at POWERCOM or authorized distributor of POWERCOM
- exchange for a replacement device of equivalent value according to model and age.

In this case, the remainder of the warranty entitlement will be transferred to the replacement device. In such an event, you would not receive a new certificate, as your entitlement is documented at PCM.

Exclusion of Liability

Warranty claims and liability for direct or indirect damages are excluded if arising from:

- transport damage,
- modifications, changes or attempted repairs,
- incorrect use or inappropriate operation,
- failure to observe the applicable safety regulations,
- cosmetic shortcomings which do not influence the supply of energy.
- force majeure (e.g. lightning, over voltage, storm, fire), or
- insufficient ventilation of the device
- incorrect installation or commissioning,
- failure to observe the maintenance regulations and intervals,

For determination of warranty entitlement, please submit a copy of the purchase receipt, or a copy of the warranty certificate, and if applicable, evidence of the warranty extension. The type plate on the device must be completely legible. Otherwise, PCM is entitled to refuse to provide warranty services.
