

SHARP WARRANTY

Grid Inverter

This Sharp product is warranted against faults in materials and manufacture for a period of sixty (60) months from the date of original purchase.

Such faults will be rectified by Sharp Corporation free of charge by either repair or replacement at Sharp's option when used under normal use and reasonable care in the opinion of Sharp in accordance with the manufacturers instructions.

Sharp Corporation Australia Pty Ltd is not responsible for the costs of any on-site labor and any costs associated with the installation, removal, reinstallation or transportation costs under this limited warranty or for losses due to down time.

THE WARRANTY IS SUBJECT TO:

The unit is installed according to the "Installation Instructions" provided by Sharp.
That the solar power inverter is installed by a licensed electrical contractor in accordance with AS/NZS 5033 Installation of photovoltaic arrays and AS/NZS 3000 Electrical Installations and applicable local electrical service rules.

THIS WARRANTY DOES NOT APPLY:

If the rating plate has been removed, damaged or rendered illegible.
The warranty does not extend to accessories, defects or injuries caused by or resulting from causes not attributed to faulty parts in the manufacture of the product, including but not limited to defect or injury caused by or resulting from, misuse, abuse, neglect, accidental damage, improper voltage, incorrect system design, vermin infestation, storm damage, fire, flood, exposed to corrosive conditions, or any alterations made to the product which are not authorized by Sharp.

Please retain your sales documentation as this should be produced to validate a warranty claim.

This warranty is in addition to and in no way limits, varies or excludes any express and implied rights and remedies under relevant legislation in the country of sale.
